The above price list is designed for the amateur grower who makes a speciality of lilies and therefore no descriptive matter or other explanations are given. If any further information is desired concerning the items offered please advise. Wherever possible nursery grown stock is supplied. In most instances nursery grown material will be available.

Five bulbs sold at the ten bulb rate, 25 bulbs sold at the 100 bulb rate.

Prompt ordering is recommended so that the bulbs may be delivered as early as possible for the Fall planting season.

All offers are subject to prior sale and subject to crop. Terms: 5% discount for cash with order or 30 days net.
